

# THE BOAT YARD BAR

## BISTRO

**THE COMANCHE**  
Barbecue, Grill & Smoke house

Get ready for a true taste of America with slow-cooked BBQ, smoked to perfection on their purpose-built smoker. This classic American BBQ food truck has been serving some of the best BBQ on the South Coast. Think melt-in-your-mouth brisket, marinated chicken wings, homemade spicy sausages, and, of course, all the amazing sides that make this a meal to remember. If you're a fan of bold flavours and perfectly smoked meats, this is one not to be missed!

Alex & Rhys return again this year. With their menu of epic sour dough grilled cheese toasties and indulgent dipping sauces, made with ingredients from local suppliers.

### LOAF.

What's your favourite !

We cook the food we love to eat - and we reckon you'll love it too.

L.A style birria tacos and Mexican street food.

The Menu is built around slow, smoked local meat, cooked using traditional techniques to develop a deep smoky sa-voury flavour and tender meat, then served in classic L.A style with a crisp tortilla and a rich consommé.

Introducing... Dave & Matt, two great chefs with a shared love of food that is delicious and memorable!

A passion that celebrates creativity, connection and the kind of meals that are smooth, rich in flavour and a little unexpected.

Menus will vary from 'day to day' as they join us for their special weekend take-over!
