THE COMANCHE
Barbecue, Grill & Smoke house

Get ready for a true taste of America with slow-cooked BBQ, smoked to perfection on their purpose-built smoker. This classic American BBQ food truck has been serving some of the best BBQ on the South Coast. Think melt-in-your-mouth brisket, marinated chicken wings, homemade spicy sausages, and, of course, all the amazing sides that make this a meal to remember. If you're a fan of bold flavours and perfectly smoked meats, this is one not to be missed!

LOAF.

Alex & Rhys return again this year. With their menu of epic sour dough grilled cheese toasties and indulgent dipping sauces, made with ingredients from local suppliers. What's your favourite! We cook the food we love to eat - and we reckon you'll love it too.

Asian Street Food at its best. Chef Nic will be bringing the tastes of South East Asia with his Thai inspired menu. From small plates of crispy Chicken Satay, Sweet & Sour Ribs & Vegetable Spring Rolls. To scrumptious plates of Massaman Curry or Teriyaki.

Chef Jan has spent the winter sharpening flavours and simmering ideas for delectable dining this Summer. From sharing small plates with big flavour but perfect to savour... to big plates of tropical warmth. Lovingly crafted to enjoy by the waters edge. With the smoky depth of our Jollof, that signature Jerk kick, to the tender richness of our Curry Goat (and everything else you love) we're bringing island flavour straight to your fork.
